

Statement

April 1, 2014

Valid one year from date of issue

To whom it may concern

Viniflora® range of bacterial cultures and US National Organic Program (NOP)

Thank you for your inquiry into Chr. Hansen's products.

We are pleased to inform you that according to section 205.605 of NOP regulations, bacterial cultures (mentioned as 'dairy cultures') are considered to be nonagricultural, no synthetic substances allowed as ingredients in, or on processed products labeled as 'organic' or 'made with organic'.

If you have further questions, please contact us.

Yours sincerely
Chr. Hansen A/S
